827

Interruptor dimer tátil para perfil de alumínio
Touch dimer switch for aluminum profile

S99

Tomada com tampa para 1 ficha + 1 USB
Socket with cover for 1 plug + 1 USB

S40

Tomada extraível para 3 fichas + 2 USB
Extractable socket for 3 plugs + 2 USB

S38

Grau de proteção
Protection degree

Tipo de proteção

Iluminação de superfície
Surface lights

Iluminação de encastrar
Built-in lights

Adesivo
Adhesive

Ângulo do feixe de luz
Beam angle

Comprimento máximo
Maximum length

Corte manual
Manual cut

Possível ligar várias iluminações
Can be connected to various led lights

Em conformidade com diretiva europeia
According to the european directives

Isolamento de classe III
Class III isolation

Aplicável quando inflamabilidade é desconhecida
Applicable when inflammability is unknown

Adequado a superfícies inflamáveis
Suitable to inflammable surfaces

Usar com conversores de tensão constante
Use with constant current transformers
